VOL. XLIV. UPLAND, CALIFORNIA, TUESDAY, JUNE 7, 1938. NO. 12.

CIVIC GROUP FOR ALL OF DISTRICT BEING PROPOSED

Chaffey Community Chamber Of Commerce Suggested As Aid To District

Formation of a chamber of commerce to serve all of the western portion of San Bernardino county was favored at a meeting of representatives of civic groups last night.

Those present are expected to report to their organizations of the contemplated move. Another meeting looking to organization of the enlarged booster group will be held August 1. In the meantime, Sam Maxcy, secretary of the Ontario chamber of commerce, will obtain data on similar organizations in various parts of the state.

Recognizing that communities in this district have common interests and believing that more united efforts will be more productive, the representatives last night discussed possible activities. It was pointed out that the proposed organization is not designed to supercede any existing civic group. It is planned to provide an inter-community "clearing house" for district-wide activities.

Attending the meeting from Upland were Rollin L. Lemon, president; Judge Fred H. Jacobs, director, and Vernon V. Paine, secretary, of the Upland chamber of commerce. Ben H. Wilson, newly-elected president of the Alta Loma Community club, represented that organization. Ontario was represented by Robert Deards, Gardiner W. Spring and Sam Maxcy. Chas. D. Warner represented the Chino chamber of commerce.

If eventually formed, the district-wide organization may be patterned after the San Bernardino county chamber of commerce. Representatives of each of the civic groups in the West End would be called together at regular intervals to discuss mutual problems and general activities.

Charles Hays Home After Figuring in Accident in Fresno

Charles Hays, who was severely injured in a motor collision at Fresno on May 7, and Mrs. Hays have returned to their home at 650 North Euclid avenue.

Mr. and Mrs. Hays motored to Fresno for a week end visit with their friends, Mr. and Mrs. C. H. Weaver, and because of the accident they were forced to remain there for the greater part of the month.

Mr. Hays suffered a puncture of the lung, fractured ribs and other injuries when his car was struck in an intersection by a car in which the driver, rushing his son to the hospital for an emergency operation, failed to make the boulevard stop.

Mr. Hays was taken to a hospital for emergency treatment and later was removed to the home of his friends, where he and Mrs. Hays remained until he was able to return home. Mr. Hays is up and about his home most of the time now, but has not yet regained his strength.

Odd Fellows To Go To Chino Wednesday To Receive Degrees

Local Odd Fellows will go to Chino Wednesday to attend the meeting of the Chino I. O. O. F. lodge, at which two new members of the Upland lodge will receive the second degree. The new members are Arnold Michelson and Kenneth Tjornhom, who were initiated several weeks ago and received their first degree last month.

A number of local members expect to attend the Chino meeting.

$16 Given to City For Any Good Use

Sum of $16.10 has been given to the city "to be used as best it sees fit for the betterment of the community".

The money came from H. S. Reeves, a former Upland nurseryman, who recently moved to Pomona. Before he moved, the city purchased 46 camphor trees. When he received a check for these trees, he returned $16.10 of the amount and asked the city to use the money.

City's Pioneers Are Honored

Banquet Program Honors Early Residents in Community—230 Are Present

Long to be remembered in the minds of many people was the community banquet in the Upland Woman's club house on Friday night. Attended by 230 persons, the event united this community's first residents, the later arrivals and the Uplanders of recent years.

Those Present at Banquet Listed by Period of Arrival

Those in attendance at Friday night's community banquet were given an opportunity to sign a register. Given by the year in which they arrived in this district are the following:

1883—Paul Bodenhamer, Frank C. Buffington

1884—Adda Bradford Manker, Charles D. Adams

1885—W. L. Hale (now of Fullerton)

1886—Mrs. Minnie D. Goodrich, Bertha I. Denison (now of Honolulu), Mrs. Violet J. Beattie

(Continued on Page Four)

Outstanding speakers on the program were the five persons among the first to arrive in what is now Upland. They reviewed history. They told their experiences of 50 years and more ago. They related many events that were early-day thrillers.

Many Events in Day

What they said was of vital interest to Uplanders of today. For nearly four hours, the banqueters dined, visited, listened and applauded. The banquet was the climax of a day filled with many important events.

Celebration of the completion of Foothill boulevard widening was the occasion for the banquet. The gigantic highway project was referred to, but most important to many was the informal talks given by Paul Bodenhamer, Frank Buffington, Mrs. Maude Grahame, Mrs. F. H. Manker and George T. Stamm, all long-time residents.

What they said was recorded for historical reference. From time to time in the near future The Upland News may publish the addresses in full. Miss Marjorie Millard made a shorthand record of the pioneers' talks.

Grier Tells Stories

C. E. Grier, chairman of the county board of supervisors, and widely known Uplander, closed the evening's program with two choice humorous stories. He had been scheduled to deliver pertinent remarks relative to today's governmental problems. Due to the length of the program, however, the versatile Mr. Grier did not present his address.

The community was honored with the presence of several outstanding state officials during the day. Present for the evening banquet were Former Governor Friend W. Richardson, the present superintendent of banks; Earl Lee Kelley, state director of public works; Harry A. Hopkins, assistant director, and E. Q. Sullivan, district highway engineer. All of these except Mr. Hopkins spoke briefly.

Gill, Wheeler Speak

Two officials of the Foothill Boulevard association, J. B. Gill of San Bernardino and Frank Wheeler of Claremont, reviewed the early efforts in getting Foothill developed for the first time a quarter century ago.

Godfrey Andreas, assemblyman, was introduced and spoke briefly. Other speakers were J. B. Leaman and Alex Cordes.

Rollin L. Lemon, president of the Upland chamber of commerce, presided, with P. H. McQuillen serving as master of ceremonies.

Charles D. Adams, the city's most aged resident, nearing 94 years, and the man who named Upland, was given special recognition.

Flowers Are Given

All the persons present who came to the Upland district prior to 1900 were given flowers in recognition of their long residence here.

One of the outstanding features of the meeting was the excellent dinner served by members of the Upland Woman's club. Mrs. Ray R. Sherwood, recently retired president, was general chairman of the committee, assisted by many other women.

SCHOOL OFFICIALS READY FOR TERMS

Dr. Wenger Elected to Upland Board—Stoebe Wins in Alta Loma

School board members elected at the Friday election will take office early in July. Dr. Earl L. Wenger was elected to the Upland board of education, he having polled 41 votes. He will succeed Mrs. Hjalmar Anderson, who did not seek reelection. Voting was extremely light throughout the Chaffey district.

In Alta Loma, Wallace Stoebe was elected with a vote of 89 over his opponent, Joseph G. Crick, who polled 69. This was the only contest in the school election in this district.

Others reelected follow: Chaffey, N. E. Trautman and H. S. Bailey; Cucamonga, John Revello; Cucamonga Central, Henry Klusman; Etiwanda, W. A. McKee; Camp Baldy, A. W. Pruitt, and Ontario, Mrs. Lelia Larson.

FOOTHILL OPENED BY GOV. MERRIAM

Friday Celebration Emphasizes Importance of Boulevard In This District

As the result of California's most prominent officials being here Friday, wide interest will be shown in the use of Foothill boulevard.

In speaking at the boulevard widening celebration, Gov. Frank F. Merriam said the center dividing strip that is to be placed on Foothill is an important experiment and that if successful here it will likely be used throughout the state.

Earl Lee Kelley, director of public works, declared that Foothill is now the longest four-lane highway in California and that the improved boulevard will result in more traffic throughout this district.

Celebration ceremonies were held at the famous, beautiful intersection of Foothill and Euclid avenue, the speakers standing in the shade of the historical Madonna of the Trail monument.

C. E. Grier, chairman of the county board of supervisors, introduced the governor. Rollin L. Lemon, president of the Upland chamber of commerce, presided. Mayor D. J. Cameron was introduced. Other speakers were Godfrey A. Andreas, E. Q. Sullivan, district highway engineer; J. B. Gill, San Bernardino, president of the Foothill Boulevard association; Dr. C. G. Houston, Costa Mesa, director of the California Safety Council, and Franklin Lowney, executive vice-president of the council.

Following his address, Gov. Merriam went to the middle of Foothill boulevard and clipped with scissors the ribbon that was stretched across the boulevard. In this ceremony he was surrounded by officials.

Music was played by the Chaffey band prior to the ceremonies. Murray Owen, director, and his group were widely complimented for their part in the program.

LARGEST CHAFFEY CLASS TO RECEIVE AWARDS THURSDAY

330 Students Will Be Given Diplomas—Baccalaureate Held Sunday

Largest graduating class in the history of Chaffey high school will receive diplomas Thursday night in commencement exercises held in the quadrangle of the junior college at 7:30 o'clock.

The class numbers 334. Following musical selections by the Chaffey Symphonic orchestra, directed by Ralph Streano, the seniors will march in in their gray caps and gowns.

The invocation is to be delivered by the Rev. John Mandtler of the Upland Nazarene church. Senior speakers who are to represent the class include Leslie Standlea, who is to repeat his prize winning talk on "What Has Chemurgy to Offer the Farmer?" Other speakers will be Fred Mack, Miss Joyce Schmidt, Hugo Francis and William Kinsella.

Vocal music will be furnished by the Advanced Glee club and Mixed chorus under the direction of Mrs. Florence Hill Blakeslee. Selections will include "Traume", "Lift Up Thine Eyes", and "Bless the Lord O My Soul".

N. E. Trautman, president of the board of education, will present the diplomas. The Rev. Zeller of the Ontario Evangelical church will offer the benediction.

ALUMNI WILL BE AT BIG REUNION

Chaffey Graduates Will Hear Of Past at Event on Campus Tomorrow

Under the general supervision of Harold Zenz, president of the alumni board of Chaffey junior college, the annual alumni dinner is to be held in the women's gymnasium tomorrow evening at 7 o'clock.

Following the dinner and program arrangements have been made by the board, including Mrs. Zenz, Lowell Bartlett of San Bernardino, Mr. and Mrs. Martie Carter of Chino, Mr. and Mrs. Melvin Hocker of Ontario, and George Garretson of Whittier, for an informal reception where alumni will have an opportunity to renew old acquaintanceships and reminisce of the past. Theme of the evening is "Reminiscenses and Dreams".

Representatives of the classes from the old Agricultural college and the modern junior college will speak, and tell of Chaffey as they knew it. Mrs. Douglas Black will act as toastmistress during the first part of the evening and Lowell Bartlett during the second. Alex Cordes, who returned recently from South Africa, where he has been successfully engaged in ranching for the last few years, will give a short talk.

The junior college a cappella choir, lead by S. Earle Blakeslee, will offer a short concert, including Negro spirituals, "Hospodi Pomilui" and the "Angel Choir".

Murray Owen will direct the Theatre orchestra in a medley of old and new songs, popular at Chaffey, and in selections from comic operas which have been giv-

(Continued from Page Three)

Five Blasts Tell Of Emergency Call

Five blasts of the whistle at the Upland fire hall will be the signal for members of the American Legion, Boy Scouts, ambulances and other emergency agencies to unite.

As a test of the available man power and emergency forces in time of disaster, a disaster signal will be sounded here sometime within a week. Total number of persons responding will be reported to state Legion offices. Other cities will give similar reports and a tabulation will be made of the available man power throughout the state in case of any emergency.

Upholstery in Car Damaged in Blaze

Upholstery in a Ford motor car was badly damaged in a blaze that called the Upland firemen to 955 West Eleventh street at 3:40 Monday afternoon.

R. A. Scott, owner of the car, said the fire started as he was driving along the street.

Scoutmasters Praised As New Building Dedicated

Impressive was the ceremony and program last night that formally dedicated the new Boy Scout house.

With more than 100 Scouts and many others in attendance, the community built structure was given to the boys to further aid them in their work and activities. Upland is recognized as the outstanding community in Boy Scout work, O. A. Alderson, secretary of the Old Baldy council of Boy Scouts, said in the dedicatory address. For this rating he gave the faithful scoutmasters most of the credit. Mr. Alderson spoke with sincerity and enthusiasm when he declared that the Upland scoutmasters are unusually outstanding, faithful and talented.

The scoutmasters are Paul F. Schowalter, Earl E. Hawthorne, Harold Stickney and LeGrand Cortright. Mr. Alderson pointed out that these men and other leaders in the Boy Scout movement deserve a high place of honor for their community service.

Howard Mason, local commissioner in the Boy Scout work, opened the dedicatory program. He then presented Mr. Alderson. Stuart Hamblen, radio entertainer, was a special guest. He has taken an unusual interest in the local Boy Scout work and the building was dedicated in his honor.

The structure is 40 by 40 feet and was erected largely through the interest of volunteer workmen and with money donated for the materials. Mr. Mason was active in handling the building details

Two Uplanders Are Given High Honors As Chaffey Seniors

Five of the outstanding students in scholarship in four divisions of study at Chaffey high school were announced today. Two of the five are from Upland.

Richard Schlecht, son of Mrs. George Schlecht, was given the annual award in science. Four students in the science classes were given consideration for the high honor, but the Uplander's record throughout his high school career and in special examinations was finally decided the best.

Betty June Verity, daughter of Mr. and Mrs. C. C. Verity, was one of the students being given the annual medal for outstanding work in Latin. She and Millicent Schmid, daughter of Mr. and Mrs. N. J. Schmid of Ontario, made an "A" grade in four years of Latin. Each was given a medal.

Grace Hutchison, daughter of Mr. and Mrs. P. C. Hutchison, was given the social science award. During a three year history course she received all "A" grades.

Virginia Ellis, daughter of Mr. and Mrs. D. M. Ellis, Ontario, was given the journalism award, she having had more of her news stories printed than other students and her class work was also more outstanding.

All the honored students are members of the graduating class.

Fireworks Fund Is Boosted But More Money Needed Now

Many persons and firms have already contributed to the Upland fireworks fund, according to Leigh Thompson, chairman, but more money is needed.

"Those desiring to contribute to this fund please get in touch with me immediately or leave donations at the chamber office," Mr. Thompson said. "A definite amount has to be guaranteed and the larger the amount the bigger and better will be the display at Lone Hill on the Fourth."

Following are the names of the organizations, firms and persons who have contributed:

Rel Hill Country club, Upland Lions club, Upland Rotary club, Huxtable's pharmacy, J. J. Atwood Co., Tony Caso, E. C. Mehl, D. J. Burlingame, E. R. Bowman, Roy Creighton, Leigh Thompson.

W. E. Allen, J. H. Marshall, Frank Nichols, Mac the Medicine Man, James Goodban, Upland Realty Co., A. Zenz, Rowe Hardware Co., Upland pharmacy, John Scott.

Paul Fetrow, Upland Feed & Fuel Co., Red Chief cafe, John Palmer, W. W. Horak, H. V. Cavers, Anderson's grocery, Colborn Electric Co., Sam D. Barker, Philip Born, Mellon's Kitchen Mart, Upland theatre.

J. E. Engle, Alan Couch, Bank of America, Upland News, Empire Realty & Mortgage Co.

Ontario Will Raze $11,250 Building To Beautify City

Ontario is preparing to raze the $11,250 building on the northeast corner of its city hall property. The structure was purchased from Mrs. Harriet Gray of Upland.

With the building out of the way, the site will be beautified and further add to the appearance of Ontario's municipal center.

The Gray building, of brick construction, has been occupied by various stores until recently.

START OF PRISON BY JULY 1 ENDS FIGHT OVER SITE

2600 Acre Site Purchased by State to Clear Way For Construction

Actual construction will be started this month on the new first termer's prison on a 2600-acre site in the Ontario-Chino district.

To comply with the WPA requirements, workmen must be on the job by July 1. More than two million dollars has been alloted by the federal government and 1½ million dollars by the state for the first unit of the project.

Harry A. Hopkins, assistant state director of public works, in Upland on Friday, said the state prison commission had completed a deal whereby the state had obtained title to the land. The property was purchased at $250 an acre.

Expected to be built at once is the first unit of the prison which will include administrative offices These offices will be placed on Central avenue within the Chino city limits. Exact location has not been determined.

The prison property extends from Central to Euclid avenues. The north limit is at a point just south of Shafer street in Chino.

Definite plans for the project have not been determined and it is therefore uncertain what portion of the prison building and development will be on the Euclid avenue frontage.

Architects have been instructed to proceed immediately with the building plans. Sum of approximately $3,000,000 is already available. When completed the building will cost more than $9,000,000.

Greater acreage was purchased than had been originally contemplated. With the additional acreage it is likely that two other state institutions will be placed on the property.

Motorcycle Rider Is Killed, Passenger Injured at Etiwanda

An inquest will be held tomorrow afternoon into circumstances of the Etiwanda accident that resulted in the death of Donald B. Davis of Huntington Park, and the injury of Cleston Taylor, Maywood. The accident occurred Sunday night when Davis' motorcycle struck an automobile. Both machines were traveling west on Highland avenue.

When Arthur Chadsey, Los Angeles, started to turn south into East street, Davis' machine slashed into the side of the car, tore off a fender, hit a concrete abutment, ran into a tree and plunged the youth into a ditch. He was killed instantly.

Taylor was treated at the San Antonio Community hospital for a crushed foot. Davis' body is at the Stone funeral home, where the inquest will be held at 2 p. m. tomorrow.

Airplane Burns But Pilot and Passengers Escape Uninjured

Three passengers and a pilot narrowly escaped death when the airplane in which they were riding burned after a forced landing in Ontario Sunday.

Carl Darnell, manager of the Ontario airport, had just taken off when a backfire from the plane engine apparently started a fire on a wing. Noting the flames, Darnell calmly prepared to land on a recently plowed field on South Campus avenue at Fremont street.

Passengers and pilot rushed from the plane just before it was engulfed by flames.

The passengers were Fred Boyd, 17, 209 East E street, Ontario, and Tom Painter and James Barber, Riverside. The plane was valued at $1,000.

City Hall Site To Be Topic Tonight

An informal meeting will be held tonight by the city councilmen and members of a citizens committee to discuss the city hall building and the proposed sites.

The council set aside the special meeting for the discussion and the question of where and when to build a municipal building may be answered soon.

Special Flood Tax In County Sought

Permit Is Issued For $6,000 House For Earl Thomas

Construction of a new residence for Mr. and Mrs. Earl C. Thomas was under way today at 1358 Euclid avenue. The residence of seven rooms will be erected at a cost of $6,000.

Mr. and Mrs. Thomas recently sold their house at 2031 Euclid avenue to Mr. and Mrs. W. L. Scheu.

This residence and other new houses now under construction here will be a boost to the local building activities.

Expected to be under construction soon also is an addition to the Old Baldy Citrus association. A permit has been issued by the city for moving a small structure on the site of the new addition. The Citrus officials recently decided to add the additional room and equipment.

W. L. Harper, 183 South Third avenue, was given a permit to add to his residence.

DECREASING COSTS AT CHAFFEY CITED

Realtors Told of Reduced Expense Per Student on Campus

Cost of educating students at Chaffey is much less now than 10 years ago, members of the Ontario-Upland Realty Board were told at a meeting yesterday noon. The meeting was held in the Chaffey junior college building with President Gardiner W. Spring the speaker.

Average per student cost in the high school during 1936-37 was $138.92, while 10 years ago the cost was $204.63, according to Mr. Spring. The Chaffey per student cost is $15 under the average cost in other California high schools, he said.

The junior college cost per student during 1936-37 was $194.83 as compared with $415.19 in 1926-27, the group was told.

Money for nearly half the cost of operating the Chaffey institutions comes from other sources than the local taxpayers, the official said.

ATTORNEY IBANEZ TALKS AT ROTARY

"Political and Economic Aspects of Mexico" Subject Of Interesting Address

Taking for his subject "Political and Economic Aspects of Mexico", Richard Ibanez, young attorney in the law offices of Attorney Edward E. Gray, gave a most interesting discussion of conditions which led to the present situation in our neighboring country on the south. Tracing the history of Mexico for 400 years back, Attorney Ibanez pointed out that the struggle for land had much to do with it, stating citizens of Mexico had two conceptions of holding land—one of which is that of communal villages, whereby property is owned by the village and allotted to residents in accordance with their individual needs.

With the establishment of a democracy in 1910, said Mr. Ibanez, the Mexicans knew nothing about government and were not prepared to govern themselves. One of the most important revolutions, the speaker pointed out, was that of 1917 and the overthrow of Carl Marx. Various characteristics of the Mexican constitution were noted by Mr. Ibanez and also the fact that during the past year conditions have come to a head and that a revolution now seems almost imminent. He further stated that while Mexico has taken possession of oil lands owned by foreigners, the country now finds itself in the position of having a great amount of oil, but no customers because of boycotts by various nations.

Will Mason was program chairman and introduced the speaker. Neil Hickcox, president of the club, presided at the meeting.

10 CENT LEVY IS URGED FOR AID IN WATER PROTECTION

Decision was reached today to ask the county supervisors to levy a special flood control tax so that approximately $138,000 will be available for work throughout the county after July 1. Directors of the West End Soil Conservation association met this morning with Supervisors C. E. Grier of Upland and Frank Mogle of Chino when decision was reached to ask for the special levy.

In the current 1937-38 county budget is a seven-cent flood control tax. The request in the coming year will be for an increase in this rate.

This association and similar groups in the county are interested in having money made available for flood control work so that current projects can be more nearly completed.

Carnelian Dam is Aim

The West End association is vitally interested in the construction of a dam on Carnelian avenue, half a mile north of Foothill boulevard. This dam has been partially built. Additional county funds make possible continuation of the project.

Work on the dam is being done by the Cucamonga CCC camp enrollees, with materials for the project being furnished by the county. This dam is designed to catch the flood water on Carnelian avenue and a portion of that rushing down the Cucamonga wash.

To Interview Board

Mr. Grier and Mr. Mogle were non-commital relative to the action that may eventually be taken by the supervisors. An opportunity will be given the association to present its case to the supervisors. Following that presentation the board will act on whether the completion of the local and other flood control projects will justify the expenditure.

Total assessed valuation in the county last year was $138,031,695. Valuation for the coming year will be approximately the same. A 10 cent rate would mean an outlay of $138,031 for the flood projects.

John Klusman of Cucamonga is president of the association. William Springer is secretary.

Shriners Get View Of Citrus Area on Way to Convention

More than 100 Shriners were taken on a tour of the community yesterday and hundreds of other Shriners passed through here on special trains Sunday and Monday enroute to the national convention in Los Angeles.

Five hundred Shriners from Detroit, Mich., stopped in Upland briefly to permit their three-section special train to be together on arriving in Los Angeles. Potentate of the Detroit lodge was in the third section and the first two sections were stopped here until it caught up.

About the biggest thrill of the inspection trip for the 100 Shriners came when they were given an opportunity to pick oranges from Harold Stewart's grove on West Eleventh street. Moving pictures were taken as the brightly-attired Shriners reached high for the golden fruit.

The visitors were taken on a tour of the Upland Citrus association and the Padre vineyards at Cucamonga.

William Walk Among Students Honored at University Banquet

William E. Walk, who is affiliated with Blackstonian, honorary prelegal fraternity, was among members of 33 outstanding scholastic societies of the University of Southern California recently honored by students, faculty and alumni at a special banquet on scholarship day.

With Dr. Walter H. Dexter, superintendent of public instruction in California, as guest speaker, President Rufus B. von KleinSmid presided at the affair.

Mr. Walk is the son of Mr. and Mrs. W. E. Walk, of 744 East Ninth street.

DATE OF ARRIVAL OF UPLANDERS IS ON BANQUET LIST

All Persons Attending Event Register and Give Date Of Coming Here

(Continued from Page One)

1887—George T. Stamm, Mrs. Alma E. Blohm, Mrs. Eva G. Moore, Mrs. George Barlow

1888—Fletcher H. Manker, G. A. Hanson

1889—William T. Littlewood

1890—Richard G. Manley

1891—J. L. Miner

1892—C. Bertha Palmer, Maude Monroe Brogan

1893—Charles B. Motsinger (now of Claremont), Mrs. Fred Wilding

1894—W. K. Beattie, Elizabeth R. Fossett, John Fossett, Fred E. Draper, Flora Shaw Allen, T. E. Ketcheson, Jesse E. Monroe, Amy Fossett Wright

1895—Saidie L. Sawyer, Grace Harwood Shults (now of Los Angeles), Sam D. Barker

1896—Bess S. Grisham, Edith McKean Jost (now of Long Beach), D. F. Ainslie of Ontario, Mrs. R. C. Williams, Mrs. Viola Manker Benson, H. W. Hawkinson, Mr. and Mrs. G. A. Andreas

1897—Mrs. Bertha Schultz, Mr. and Mrs. H. C. Kennedy

1898—Owen E. Atwood, Mr. and Mrs. Glenn M. Atwood, Floyde L. Atwood, Pauline Klindt Jacobs, Mr. and Mrs. L. R. Bradley, Eldon Atwood

1899—Amos R. Colborn, Ruth Lucille Crane

1900—J. B. Leaman

1901—James E. Goodban, Mrs. D. F. Ainslie, Mrs. Ernest Mehl, Mr. and Mrs. W. F. Goodban

1924—Rev. William I. Doole, Mrs. Jess Monroe, Mrs. A. C. Reynolds

1925—Mrs. Ralph Almquist

1928—Miss Lena Stalter, Mr. and Mrs. Vernon V. Paine

1929—H. M. Guy, Mr. and Mrs. Edward E. Gray, Mrs. Ernest Tweed Stone, Mrs. C. E. Grier

1930—Mrs. Olive Reed, Mrs. Rollin L. Lemon

1931—Mr. and Mrs. Jack Harris

1935 — Mr. and Mrs. Henry Dahms

1936—Mr. and Mrs. Sam Maxcy, Selma Gregory

1937—Mrs. May F. Cooper, Mina G. Fulton, Mrs. Allan S. Barr

No Dates Listed

Other Uplanders present, but who failed to record a date of their arrival here were Mrs. Maude Grahame, Mrs. T. E. Ketcheson, Mrs. William Littlewood.

Guests

Following are the names of distinguished guests:

Earl Lee Kelley, state director of public works; Harry A. Hopkins, assistant director; E. Q. Sullivan, district highway engineer; Howard W. Way, county engineer; Former Governor and Mrs. Friend Richardson.

Visitors from nearby communities were:

Lela V. Ackerman, Stanley W. Larson, Mr. and Mrs. Stuart G. Wheeler, Frank Wheeler and Ralph Shoemaker, Claremont.

Mr. and Mrs. Robert Deards and Mrs. Blake Draper, Ontario.

J. B. Gill, San Bernardino; C. J. Shults, Los Angeles; Mr. and Mrs. J. W. Ford, Puente, and W. F. Coulter, Fullerton.

Cucamonga-Alta Loma

Graduates Guests at Dinner

Members of the Alta Loma eighth grade graduating class were honored at a dinner party given on Friday evening at the home of Mrs. Carroll C. Hamilton on Carnelian avenue, Alta Loma, and a merry time was enjoyed by the 15 young people and the other guests.

A 6:30 dinner was served at tables that bore decorations and appointments in the class colors of green and gold.

The place cards, made by a group of the students with Mary Louise Cadnum in charge, were particularly clever, being miniature scrolls, representing diplomas, tied with ribbons in the class colors. Inside the scrolls were appropriate verses, which were read.

A tempting three course dinner was served and later the young people enjoyed a number of games on the lawn.

The graduate guests were Marjorie Brandt, Mary Louise Cadnum, Vera Engle, Dorothy Henderson, Mary Alma Henderson, Pat Critchlow, Tony Fuentez, Rex Hamilton, Edward Hudson, Arthur Lee Hughes, Arthur Marquez, Billy Orchard, Bob Perdew, James Talbott and Edgar Van Fleet. The mothers present were Mrs. R. C. Cadnum, Mrs. Jacob Brandt, Mrs. E. E. Perdew, Mrs. D. J. Engle, Mrs. Lena Hughes, Mrs. John Orchard and Mrs. Hamilton.

Graduates Entertained

As a courtesy for Frances Davis, who makes her home with Mr. and Mrs. M. I. McCarty, 112 San Bernardino avenue, Cucamonga, and who is a member of the Central school graduating class, Mrs. McCarty entertained other members of the class with a merry party Friday night.

For some time the young people enjoyed a hilarious game of cootie, with the girl's prize being won by Pearl Smith and the boy's prize going to Everett Chappell.

Later in the evening refreshments were served, Mrs. McCarty being assisted by her daughter, Mrs. Vivian M. Santolucito.

Attending the party were Janet Beattie, Pearl Smith, Betty Payne, Bertha Nunez, Barbara Grusenmeyer, Eleanor Maida, Everett Chappell, Robert Nesbit, Joe Gordon, Frances Davis, all members of the graduating class, and Betty Jane and Ross Davis, Alice McCabe and Marjory Lindsay.

Teachers and Pupils Guests

Both the teachers and the graduates of Cucamonga Central school are sharing in the courtesies being extended as pre-commencement events.

Sunday evening Mr. and Mrs. Arnold P. Weber, 285 North Hellman avenue, Cucamonga, entertained the faculty and friends with a grill supper prepared and served in the picnic grounds in the rear garden of their home. Those attending were Miss Wren Rucker, Ralph Westerberg, Mr. and Mrs. Carroll Johnson, Miss Mary McGilvra, Miss Ella Schmidt of Upland, sister of Mrs. Weber; Eugene Giachino, Chaffey student, and Mr. and Mrs. Weber and daughter Ruth.

Dinner Is Given

Mr. and Mrs. Robert Nesbit and Mr. and Mrs. A. C. Beattie were hosts at an outdoor dinner party held Monday evening in the garden at the Nesbit home, 402 North Hellman avenue, their guests being the members of the graduating class and the three teachers, including Miss Rucker, Mr. Westerberg and Mrs. Johnson.

A tempting dinner was served at a table in the garden, flowers and candles being used in the decorations. Monopoly was played during the evening.

Mr. and Mrs. M. A. Billings and son-in-law and daughter, Mr. and Mrs. Sam Forbes, of Windson, Colo., arrived Friday for a visit with Mr. and Mrs. Gordon A Billings, brother and sister-in-law of M. A. Billings, at their home, 857 North Hellman avenue, Alta Loma. The visitors, who have been touring the major national parks of the west, will remain in Southern California for two weeks, making their headquarters with their Alta Loma relatives. They will return home by way of Oregon and Washington. Mr. Billings is a retired employe of the Great Western Sugar Co. of Colorado.

Mrs. J. J. Brand of 204 West San Bernardino avenue, Cucamonga, enjoyed a week end visit from her son and daughter-in-law, Mr. and Mrs. Herbert Brand and family of Ventura.

ONTARIO TEAMS IN DIAMOND TRIUMPHS

Mt. View and Exchange Take Opponents—G. E. Plays Tonight at Colton

Games This Week

Tonight—Ontario at Colton in Central league.

Tonight—Exchange vs. Ewart's in Ontario-Pomona league.

Wednesday — Cucamonga CCC vs. C. Y. O., and Hotpoint second team vs. D street market, both games in Ontario city league.

Thursday — Union Oil vs. Exchange second team in Ontario city league, and Pomona Pumps vs. Maytag in Ontario - Pomona league.

Friday—Suverkrup team, San Bernardino, vs. Ontario in Central league on Fourth street diamond.

Results

Friday—Ontario lost to Riverside 6 to 5, ten innings.

Mt. View lost to Maytag, 7 to 5, and Ewart's won 5 to 1 over Vortox.

Last night—Mt. View 9, Vortox 2; Exchange 10, Simon Levi, 0.

Heavy stick work featured the two games in the Ontario-Pomona league in Ontario last night, although twirling by the Ontario pitchers was really good. Beach was in the box for Mt. View with Finley catching, while Keough, former Chaffey athlete, pitched for Vortox of Claremont.

In the Exchange - Simon Levi game the Ontario pitchers, Adea and Ayers, had a fairly easy time. Orr and Kuhn caught for the Exchange. The Simon Levi battery included Caruth and Snodgrass, pitchers, and Cook catcher.

Cucamonga Central Class to Graduate Wednesday Evening

Graduation exercises for the eighth grade students in the Cucamonga Central school will be held Wednesday evening in the school auditorium, it is announced by the priicpal, Miss Wren Rucker. Miss Rucker and the eighth grade teacher, Ralph Westerberg, have arranged an excellent program to be presented by the graduates and the students have been busy preparing for the event.

In keeping with the class theme, the stage will be specially decorated by the students.

The program, which will begin at 8 o'clock, will include:

Processional by the eighth grade class.

Welcome, Barbara Grusenmeyer.

"Starlight" (McIntyre and Gainer) and "The Morn Breaks Fair" (Mendelssohn), by the girls sextet.

Class motto — Knowledge, Like the Desert Sands, Is Limitless," Betty Payne.

"Going, Going, Gone" (Mary Helen Brown), by the boys quartet.

"Highlights of the Year," Robert Nesbit.

"The Green Cathedral" (Helen Johnstone) and "Chinese Lullaby," girls glee club.

Class prophecy, Marvin Rahn.

Address to graduates, the Rev. Harold V. Hartshorn of Etiwanda.

Presentation of class gift, Janet Beattie.

Acceptance of gift, Sam Grasso, seventh grade student.

Presentation of class to school board by Ralph Westerberg.

Presentation of diplomas by a member of the school board.

"Alma Mater," by class of '38.

The graduates are Barbara Grusenmeyer, Frances Davis, Pearl Smith, Betty Payne, Janet Beattie, Eleanor Maida, Bertha Nunez, Robert Nesbit, Alfredo Luciano, Everett Chappell, Marvin Rahn, Philip McLaughlin and Joe Gordon.

15 New Cars Listed In Sales For Week

Ontario—Robert A. McMillan, International truck; Frank Vernola, Ford; San Antonio Orchard Co., Plymouth; S. G. Bosshardt, Plymouth; William Craig, Graham; Percy Garrison, Chrysler; Sam Kelber, Dodge, and Austin Burt, Buick.

Worker—Gimme a ginger ale.
Jerker—Pale?
Worker—No! No! Just a glass.

Alta Loma Pupils Will Graduate on Thursday Evening

Graduation exercises for the 15 eighth grade students of the Alta Loma school will be held Thursday evening, beginning at 7:30 in the school auditorium, and the completed program for the occasion was released yesterday by Mrs. Margaret Cantley, principal of the school.

The graduates, who will enter the Chaffey freshmen class next fall, include Marjorie Brandt, Mary Louise Cadnum, Vera Engle, Dorothy Henderson, Mary Alma Henderson, Pat Critchlow, Tony Fuentez, Rex Hamilton, Edward Hudson, Arthur Lee Hughes, Arthur Marquez, Billy Orchard, Bob Perdew, James Talbott and Edgar Van Fleet. Glen A. Dellenbach is teacher of the class.

The program to be presented will include:

Address of welcome by Dorothy Henderson.

Song by the class.

"Life Plans", by Mary Alma Henderson, Marjorie Brandt, Vera Engle.

Piano solo by Mary Louise Cadnum.

"Incidents in School Life", Rex Hamilton, Arthur Lee Hughes and Bob Perdew.

Address to class, Geo. P. Weldon of Chaffey junior college.

Farewell address, Tony Fuentez.

Presentation of D. A. R. citizenship medals to seventh grade girl and boy by Mrs. Frederick A. Wikoff, regent of San Antonio chapter, Daughters of the American Revolution.

Presentation of American Legion citizenship medal to eighth grade boy and girl by Attorney Howard T. Mitchell of Upland.

Class presentations by Arthur Marquis, Edgar Van Fleet and Billy Orchard.

Presentations of class to Joe G. Crick, president of the school board, by Mrs. Caultey, school principal.

Presentation of diplomas by Mr. Crick.

Travelogue Picture To Be Shown Heights League on Thursday

Members of the San Antonio Heights Community League have a treat awaiting them when they gather at the Eighteenth Street school house Thursday evening at 7:30 o'clock. At that time the travelogue picture, "Let's Go Catalina", will be shown for their entertainment. Others in the community are also invited to attend.

"Let's Go Catalina" is the most complete film ever taken of Santa Catalina island. Starting at the Wilmington Terminal, the picture depicts views of the scenic coastline of the island. Flying fish in actual flight have been filmed for the first time in cinema history.

Most spectacular of all is the battle with a swordfish, which is shown in a complete sequence. Wild mountain goat hunting and boar hunting in the rugged interior of the island add their thrills. The diver beneath one of the famous glass-bottom boats which play over the submarine gardens; macaws in the role of firemen sliding down their poles in the bird park; the isthmus with its romantic South Sea atmosphere and gigantic fleet of southland yachts at anchor in its coves, make the film a refreshing interlude and irresistable lure.

Mrs. Edith Kuchler of Lyme, N. H., in two months time sculptured a horse three feet high out of 155 newspapers, 900 feet of string, and a few pieces of wood.

Legal Notices

NOTICE OF ASSESSMENT

Etiwanda Water Company, Principal Place of Business, Etiwanda, San Bernardino County, California.

Notice is hereby given that at a meeting of the directors of this company, held on the 3rd day of June, 1938, an assessment, No. 123, of Two Dollars and Fifty Cents ($2.50) per share was levied upon the capital stock of the corporation, payable at once to the secretary of the company at the office of the company, situate on the West side of Etiwanda Avenue, in Etiwanda, County of San Bernardino, State of California. Any stock upon which this assessment shall remain unpaid on the 15th day of July, 1938, will be delinquent, and unless payment is made in the meantime, the said shares, or so many of said shares as may be necessary will be sold at said office of the company, situate on the West side of Etiwanda Avenue, in Etiwanda, County of San Bernardino, State of California, on the 15th day of August, 1938, at the hour of two o'clock p. m., to pay the delinquent assessment, together with five per cent penalty.

Dated, June 3, 1938.

THOMAS DONNELLY,
Secretary of Etiwanda Water Company, Etiwanda Avenue, Etiwanda, California. 12-1

Help Kidneys
Don't Take Drastic Drugs

Your Kidneys contain 9 million tiny tubes or filters which may be endangered by neglect or drastic, irritating drugs. Be careful. If functional disorders of the Kidneys or Bladder make you suffer from Getting Up Nights, Nervousness, Leg Pains, Circles Under Eyes, Dizziness, Backache, Swollen Joints, Excess Acidity, or Burning Passages, don't rely on ordinary medicines. Fight such troubles with the doctor's prescription Cystex. Cystex starts working in 3 hours and must prove entirely satisfactory in 1 week, and be exactly the medicine you need or money back is guaranteed. Telephone your druggist for Cystex (Siss-tex) today. The guarantee protects you. Copr. 1937 The Knox Co.

AFTER 45

Very often as you grow older your digestive system becomes deficient and your blood can not get the proper nourishment. You feel listless and worn out. Try a single bottle of famous old Hostetter's. Its stimulating herbs and roots quickly help in revitalizing the digestive glands. At drug storeseverywhere.$1.50

HOSTETTER'S Stomachic BITTERS

Beware Kidney Germs if Tired, Nervous, Aching

Are you Run Down, Nervous, suffer Aching or Swollen Joints? Do you Get Up Nights, or suffer from Burning Passages, Frequent Headaches, Leg Pains, Backache, Dizziness, Puffy Eyelids, Loss of Appetite and Energy? If so, the true cause often may be germs developed in the body during colds, or by bad teeth or tonsils that need removing. These germs may attack the delicate membranes of your Kidneys or Bladder and often cause much trouble. Ordinary medicines can't help much because they don't fight the germs. The doctor's formula Cystex, now stocked by all druggists, starts fighting Kidney germs in 3 hours and must prove entirely satisfactory in 1 week and be exactly the medicine you need or money back is guaranteed. Telephone your druggist for Cystex (Siss-tex) today. The guarantee protects you. Copr. 1937 The Knox Co.

Sentinels of Health
Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure.

When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages may be further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.
